

Susan Fitzell, M.Ed., CSP

Neurodiversity in the Workplace Expert
Award-Winning Author, Dynamic Speaker

Lisa Smith, SPHR, SHRM-SCP

Susan's presentation was not only informative and interesting but very enlightening. Her "judgment-free" zone approach gave our group the confidence to ask questions and discuss the content without fear. Susan is highly knowledgeable and personable.

Gina Carr, MBA, Fractional CMO

She did a fantastic job! She was very entertaining, highly engaging, and very well organized. Her presentation has been the most requested presentation from our members for the recordings in the last year (of over 50 presentations!).

Frowa Schuitemaker

I was captivated by her energy and passion for the subject matter! Susan's expertise, professionalism and creativity placed her on top of my list of one of the best speakers in the industry.

John Georgevits, CIO/SVP, WCIRB

Susan is an extraordinary communicator who provides tangible, real world examples of how to solve complex issues. She has a passion for her work that is rarely duplicated and she speaks with a frankness that is both prescriptive and understanding at the same time.
